## **Franchise Opportunities--Be A Part Of The Team!**

Would you like to own a Natural Health Clinic and sell Natural Health Clinic (NHC) products?

We have a professional company that will work with you every step of the way!  
Once you get going, there is continuing training and support; you are never alone!

If you have any questions, please call the team here at NHC: 1-800-798-4372.

The **First Step of Faith:**

**Choose your team.**

**Ask friends and family to be involved with your ministry of health and wellness, just as Dr. Sullivan did.**

The **Second Step of Faith:**

**Choose your location.**

The **Third Step of Faith:**

**Negotiate the lease at your location.**

**Ask for some free rent, maybe 3 months. Many leasing companies will do this.**

**Ask for build-out monies. This allows setup of your store to be functional.**

The **Fourth Step of Faith:**

**Start with a banner.**

**Eventually get a neon sign to hang on your building.**

The **Fifth Step of Faith:**

**Purchase NHC products at franchise price for your store.**

The **Sixth Step of Faith:**

**Follow through with support.**

### **Learn a little about the herbs in the products.**

Obtain product knowledge training in order to know the content of the herbal formulas. We can teach you or your staff about what the herbs help support.

**Always write your questions down. When you get a list, call us, and we'll give guidance. Regular phone support is a way to build friendship, which makes the NHC team strong.**

If you desire, you can learn many different aspects (as follows) to become a Natural Doctor and get a NHC Certification of Naturopathy. This is optional! However, it would be beneficial to have a team member or members who function in these services.

### **Learn Iridology**

### **Practice Reflexology**

### **Send out your client's hair for analysis**

**We teach how to setup wellness consultations.**

**You can learn some basic massage patterns (Neuromuscular Therapy).**

### **Advertisement Support:**

**We can help you build a website for your store or give links to the NHC's main website.**

**Print out product fliers for your store. We will supply master copies of all products.**

**Thanks for the privilege of being a part of what Dr. Sullivan started!**
