So now anyone selling products like HERB POWER 21, Think Smart, and Only For Women in the State of California is a FRAUD, a liar, and a thief. They are trying to steal Dr. Sullivan's Product line, and the products maybe under a different label with the same products names.

Under California Penal Code 496 PC, it is unlawful to buy, receive, sell, conceal, or withhold property, which you know is stolen. So now you know. If you have any information please let us know, please call the Natural Health Clinic at:1-800-798-4372

Please help Jenny Sullivan, Dr. Sullivan's wife redeem her monies for ALL of the contents that were in the store, and get justice!  
Anyone that steals and commits fraud, against a widow... Jenny Sullivan and the fatherless her children....is a low life of a person!

The Bible has a profound passage of an absolute surety...Malachi 3:5  
"So I will come to put you on trial (draw you near for judgment).  
I will be quick to testify (witness) against the perjurers  
against those who defraud and who oppress the widows and the fatherless,  
(they should fear me) but they fear not Me, says the LORD Almighty."  
And for the years of being a servant and educating all of us about health, and the wonderful Natural Health Clinic products...God Bless you
