Super Herbal Body Cleanse

Your body faces immense detoxification challenges these days. Unlike other cleanses, while cleansing all the organs, **Super Herbal Body Cleanse** nourishes and detoxes your blood, brain, colon and lymph system, helping to improve your body's overall health, and even reducing your risk of colon cancer. This body cleanse helps prevent constipation and diarrhea by balancing hydration in the digestive tract, promoting more effective and regular digestion. It promotes weight loss in a sustained way, while boosting energy and maintaining pH balance in the bloodstream.

Apple Pectin

- Removes unwanted toxins, heavy metals
- Can decrease risk of colon cancer
- Gentle, effective cleansing agent
- Removes radioactive particles
- Provides needed bulk fiber

Acacia Bark Powder

- Helps maintain correct hydration in digestive tract to prevent constipation, relieve diarrhea
- Forms protective gel coating to help heal irritations of colon, intestines, and stomach
- Acts as a pre-biotic encouraging growth of pro-biotics (good bacteria)
- More gentle than psyllium
- Excellent body detoxifier
- Reduces inflammation

Blue Violet Powder

- Stimulates lymphatic glands, getting rid of bacteria and toxins
- Eliminates waste products
- Excellent blood purifier
- Expels parasites

Flax Seed

- High in lignans (plant phytoestrogens) which are a colon anti-tumor component
- Helps lower cholesterol and blood pressure
- Reduces inflammation and irritation of intestinal walls to facilitate healing

Cascara Sagrada Bark

- Promotes more frequent, more normal bowel movements and alleviates constipation
- Considered the safest, most effective laxative
- Cleanses, tones, and strengthens the bowels
- Excellent digestive qualities

Chlorella Algae

- Provides cleansing to the bowel, colon and liver
- Contains high levels of chlorophyll - one of the greatest nutrients for cleansing
- Powerful detox - binds with toxins, pesticides such as PCBs and heavy metals
- Alleviates constipation, ulcerative colitis and relieves diarrhea
- Contains digestive enzymes and elevates growth of healthy bacteria
- Potent yet gentle and safe

Rose Hips Powder

- High levels of vitamin C to help fight infection
- Cleanses bladder, kidneys and gallbladder
- Helps alleviate diarrhea, constipation, gallstones, lower urinary tract and kidney disorders, and fluid retention
- Mild laxative with diuretic properties

Irish Moss

- Lubricates and soothes the mucus membranes of the stomach and intestines
- Aids and soothes gastrointestinal issues and inflammation in the body
- Soothes the kidneys and bladder

Burdock Root

- Blood purifying agent to destroy bacteria and fungus
- Supports liver and gall bladder function
- Improves colon health
- Anti-cancer properties

Cleavers Herb

- Promotes the lymphatic drainage system to excrete and eliminate waste and toxins through the urinary tract
- Effective against urinary tract infections, kidney ailments, and water retention
- Powerful kidney cleanser

Bentonite Clay

- Supports liver detoxification and colon cleansing
- Removes toxic metals and chemicals following radiation treatments
- Promotes healthy bacteria balance in the digestive system
- Provides needed bulk fiber
- Boosts immune system

Bromelain

- Reduces bloating, gas and other symptoms of irritable bowel syndrome
- Helps balance the acidity of the stomach
- Helps reduce indigestion and heartburn
- Reduces digestive upset and irritation

Celery Seed

- Very potent against kidney stones and chronic kidney diseases
- Increases urine output to flush out toxins
- Increases kidney and liver function
- Good source of dietary fiber
- Helps eliminate free radicals

Dandelion Leaf

- Prevents liver congestion by helping to flush out fat deposits
- Kidney, bladder, liver, and gallbladder rejuvenator
- Provides gentle diuretic effect

Milk Thistle Extract

- Optimizes function and maximizes detoxifying and cleansing potential of the liver
- Aids liver cells to bind and block toxins in the liver
- Helps regenerate damaged liver cells

Star Anise Powder

- Improves irritable bowel syndrome symptoms
- Inhibits fungal and microbial activity including yeast
- Reduces gas and bloating
- Great digestive aid

Ashwagandha Powder

- Helps restore natural bowel tone
- Promotes body rejuvenation
- Relieves constipation
- Increases energy

Peppermint Leaf powder

- Helps reduce and move gas created during a deep intestinal/bowel cleanse
- May relieve symptoms of irritable bowel syndrome
